## **BUS SHELTER REFURBISHMENT SUMMER 2022**

We are pleased to announce the completion of the refurbishment of our village bus shelter. This project was achieved via a combination of funding by Bapchild Parish Council, contribution from Kent County Councillor Rich Lehmann's Combined Member Grant Scheme, together with a donation from Hyde Housing.

**Replacement Panels installed**

**Re-painted framework**

This has certainly given our bus shelter a new lease of life. Thank you, County Councillor Lehmann and Hyde Housing for assisting us with this project.
